THE SUN SHENES OVER ALL.

When hope is heart forsaking Go forth in the open day, And watch the sunbeams breaking As the dark clouds roll away; Then mark how they tinge and brighten Each dark spot where they fall, And thy heart of each care will lighten, For the sun shines over all!

When thine eyes with teardrops glisten, And each tender chord is stirred, Then hie to the woods and listen To the sweet song of the bird; And mark how he sings contented, As the leaves around him fall, You'll forget what you lamented For the sweet birds sings for all

When all you fondly cherished Has passed, like a dream, away: The love you ching to perished, The friendship known decay; Seek then the woodland flowers, They will all the past recall, And point to happier hours. For the bright flowers bloom for all.

THE HIGH PPICE OF PAPER. - The great advance in the price of paper within the last six months has put the publishers of newspapers to serious reflection how to counteract the evil. It is suggested in the West, among other things, that publishers reduce the size of their papers, demand advance payment in all cases. cut off "dead heads," and prune exchange lists. The effect of this would be to reduce the consumption of white paper and enable the printer to live. It is now stated that rags cannot be had in sufficient quantity, and the reply to this is that an increase in the price of paper will not supply the deficit. Advance payments would not remedy a host of evils attendant on publishers.

The St. Louis Intelligencer tells us that a scheme is in agitation there to open a direct trade between St. Louis, China, India, etc., across the continent, by means of a semi-weekly overland stage and transportation line between some point on the Missouri river and the Pacific ocean. Such a line, it is calculated, could be maintained for a year on a capital of \$500,000, with all the conveniences that may be had on any stage route in the Union; and in order to ensure this, it is proposed to have permanent stations, not over thirty miles apart, along the whole way, with everything to render the traveler comfortable.

Prepared by J. L. KIDWELL, Chemist, George-The estimate that is now accorded this preparation by the medical profession and by others competent to judge of its merits, may be seen in the fact that it has been prescribed by many of our most eminent Physicians in this country, and has attracted the attention of a celebrated profession of the Edinburg College, Scotland, by whom it has

been successfully used in a career of an aggravated The proprieter has been forced to make more extensive arrangements to meet the rapidly increasing

demand for BEECH DROP. VINCENNES, INDIANA, Oct. 3, 1854. J. L. Kidwell—Dear Sir: Some three months ago, through the agency of Col Smith Miller, our representation in Congress, I had purchased of you, for the use of my father in Scotland, one dozen Bottles of Beech Drop or Cancer Preparation. I have a letter from my brother, stating that the physician desires you to forward another dozen bottles. He thinks under its use the di case is arrested. I may add that my father has tried every physician of distinction in Scotland and England, including Professors of Edinburg and Collieges, without relie'. The disease was of three years standing, began in the right cheek, which is partially consumed. He was

and will with pleasure communicate with any one in reference to his case. CALLAWAY COUNTY, MISSOURI, July 13th, 1854.

Dear Sir-With great pleasure I inform that your preparation of Beech Drop has accomplished for me what I thought beyond the reach of human agency. For the last twelve years I have been afflicted with Scrofula of a Cancerous form. So extensive was the ulcers and so horrible my appearance that my case became notorious with all the Faculty in this and the adjoining counties-in fact I had obtained the best medical aid in our State, without any abatement of the disease. Through a friend I procured a half dozen bottles of your Beech Drep, after using t, so perfect was the cure, that hundreds visited me. My desire is to benefit my fellow man; with that purpose I beg all afflicted with Scrofula in any form to use it.

Enclosed you will find an order from some friends for the preparation. Very truly,
